What do we want?

- European Framework
- Fit for purpose
- Lean, Flexible & Agile
- Comprehensive where relevant
- Clear wording & guidance
- Enhancement-led ...
- ... while demonstrating basic requirements

... and what not?

- Additional administrative burden
- Dealing with legal issues
- Too strict adherence to the ESG
- The ESG-isation of research and service to society ...
- ... and extra standards
- The creation of elephants
- Overlapping QA ...
